Capturing reality – better, faster, smarter.

The Airborne Solutions User Group Meeting will take place from 3 - 5 February 2016 in Barcelona, Spain. The meeting will be hosted by our valued customer, the Institut Cartogràfic i Geològic de Catalunya (ICGC).

You can expect the following event highlights:

- Technology updates in airborne imaging, topographic and bathymetric LiDAR
- Case studies and best practice user stories
- Networking with colleagues and industry experts

The early bird rate is valid until 31 December 2015 or join us for free if your company has a Customer Care Package (CCP).

Attendees and speakers can stay at the Marriott Renaissance Barcelona Fira Hotel, which is 12 minutes from the ICGC. A shuttle service is organised. After registering you will receive a discount code which you can use to book your hotel room at a special rate.
